### RANDOM THOUGHTS

\* When my boss asked me to put a joke on the first slide of his presentation... apparently a picture of my pay slip wasn't what he had in mind

\* My hairline is in recession, my stomach is always in inflation, and these two together bring me into a deep depression

\* A banker fell overboard from a friend's sailboat. The friend grabbed a life preserver, and not knowing if the banker could swim, shouted, "Can you float alone?" "Obviously," the banker replied, "but this is a heck of a time to talk business..."

\* I don't like to complain about the customer service of any business but I didn't appreciate being pushed over by the stock broker when I asked him to check my balance

\* My interviewer told me my wage would increase to \$2,500 per month after six months i told him I'd start then

\* A local hairdresser put up a new sign 'we give \$3 haircuts'. Seeing this, the barber next door decided to erect their new sign 'we fix \$3 haircuts'.

\* I reached the office this morning and the boss stormed up to me and said 'you missed work yesterday, didn't you?'

I said 'No, not particularly.'

## Moments in time

THE HISTORY CHANNEL

\* **On Feb. 10, 1957**, Laura Ingalls Wilder -- author of the best-selling "Little House" series of books based on her childhood on the American frontier, which later inspired a popular TV series starring Melissa Gilbert as the young Laura and Michael Landon as her father, Charles -- died at age 90 in Mansfield, Missouri.

**On Feb. 16, 2016**, former French President Nicolas Sarkozy was placed under investigation over his campaign funds, related to spending in his unsuccessful 2012 bid for re-election when his campaign costs were more than twice the legal limit.

\* **On Feb. 11, 1878**, the first organization for recreational cyclists, called the Boston Bicycle Club, was formed. The club organized rides ranging from tricycle races to 100-mile trips, and less than 20 years after its founding, more than 100 similar clubs had formed in Massachusetts as middle-class participation in cycling increased in popularity.

BLESSED ARE THOSE WHO HUNGER AND THIRST FOR RIGHTEOUSNESS, FOR THEY SHALL BE FILLED

\* **On Feb. 12, 1947**, French fashion designer Christian Dior launched his first collection, which he dubbed the "New Look." While some appreciated its exaggerated femininity as a departure from the more drab and boxy stylings of wartime austerity, others still living with rationing decried it as wasteful, and fellow French designer Coco Chanel declared that "Dior doesn't dress women. He upholsters them!"

\* **On Feb. 14, ca. 270 A.D.**, Valentine, a priest in Rome, was beheaded for the crime of continuing to marry young lovers in defiance of Emperor Claudius, who had banned all engagements and weddings in the city due to his belief that Roman men were unwilling to enlist in the military because of their strong attachment to their wives and families.

\* **On Feb. 15, 1968**, Henry Lewis was chosen over more than 150 other candidates as the first Black conductor of a major U.S. orchestra, the New Jersey Symphony.

\* **On Feb. 13, 1905**, President Theodore Roosevelt, who had just won re-election, gave a speech to the New York City Republican Club about the state of American race relations and his plan for improving them. However, it was not until President Lyndon Johnson passed the Civil Rights Act in 1964 that government efforts to correct racial bias were actually set into law.
